MEMORANDUM FOR: CPP

SUBJECT : PSB Staff Meeting, 3 August 1953

25X1A 1. The agenda for Wednesday's Board Meeting was distributed and a
25X1A copy was given to [REDACTED] Item number one has apparently been
discussed by [REDACTED] with a representative of the Office of Intelligence
Coordination and I shall see them for the briefing statement for the DCI.

2. Item number two is a C.D. Jackson item and nothing is known of
its nature.

25X1A 3. Item number three stems from the concern expressed by Vice
President Nixon at last week's NSC meeting, and I am told by [REDACTED] 25X1A
that it outlines six questions which the NSC would like to have the PSB
answer. No one at the staff meeting had seen the NSC paper, but [REDACTED] 25X1A
[REDACTED] said that the PSB Board is expected to give the matter only prelimi-
nary consideration of the extent of the research which the Board will want.
25X1A I hope that [REDACTED] will be able to shed some light on the NSC paper.

4. Item number four is another C.D. Jackson item. [REDACTED] 25X1A
said C.D. Jackson wishes to have one more roundup on the current situation.

25X1A 5. Item number five is particularly called to your attention because
you may wish to furnish a statement for the DCI in time for Wednesday's
meeting. [REDACTED] reported that C.D. Jackson is unhappy with the present
plan and would like to take the matter up with the Board.
